**RE: EXTENDED HEALTH CARE AND DENTAL**

---

The Trustees are pleased to advise that, as a result of the positive financial results of the Plan, the Plan is now in a position where some of the cutbacks that the Trustees were forced to implement during difficult times, can now be removed.

Therefore, effective January 1, 2006, the annual deductibles for the Dental and Prescription Drug benefits, are being removed.

It is very encouraging when the Trustees can present good news of this sort to the Members.

If you have any questions, please feel free to contact the Plan Administrator.

Yours truly,

The Trustees
